

## **Tronox Joint Agency Management Meeting**

Wednesday, February 26, 2020 8:30 – 4:30 pm

### **Location:**

NMED District Office  
121 Tijeras Ave. NE, STE 1000  
Albuquerque, NM 87102

### **Meeting Outcomes**

- (1) Navajo managers and the state of New Mexico will have an informed understanding of all potential removal/remedial alternatives that will be included in the Quivira draft EE/CA.
- (2) Concerns/Issues with specific alternatives have been identified, discussed thoroughly, and modifications or amendments that would make the alternative (s) more implementable have been identified.
- (3) A schedule outlining milestones for getting the Quivira EE/CA out for the public comment period is shared.
- (4) All participants walk away from meeting feeling comfortable with next steps.

### **Opening (30 minutes)**

- Welcome/Introductions
- Agenda and Logistic Review
- Announcements

### **Overview of Ambrosia Lake EE/CA (30 minutes)**

Objective: Provide attendees and overview of disposal options being considered for inclusion in the Alternatives Analysis Memo.

### **NRC License Amendment Request (15 minutes)**

Objective: Provide attendees and overview of the NRC license amendment process for the Rio Algom Mill Site as it relates to potential disposal alternatives. Where does RAML fit in?
